Intro

Verse 1

E   B   A   F#dim E
I often wonder how it all began
E   B   A   F#dim E
How did it find us, at what age of man
        Adim   Bdim
Was it rustling trees A fast flowing stream?
          Adim   Bdim
A warm gentle breeze, fruits falling on leaves
          E   C#7
Did it form in our dreams?

Chorus

        F#7   C#7
Wherever it came from, however it formed
        F#7   C#7
It's a beauty to share, so we gave it a name
        G#7   C#7
Our emotions were bared, and it grew in our soul

Verse 2

      E   B   A F#dim E
So now I am here, singing this song
E   B   A F#dim E
Cos somewhere, somehow the music won
        Adim   Bdim
Whenever I'm down and if I can't see
Adim   Bdim
Where to go next, or how to be free
          E   C#7
It's there in me

Chorus

        F#7   C#7
Wherever it came from, however it formed
        F#7   C#7
It's a beauty to share, so we gave it a name
        G#7   C#7
Our emotions were bared, and it grew in our soul
