

Change Is Now

Key: A

Single Doubt

Intro

D

Verse 1

D

It's a scary situation,

G

We are facing as a nation,

A

D

Never have we been in such a mess.

D

Nearly fourteen million spoke,

G

Everything went up in smoke,

A

D

Now all that's left is panic and distress.

Bridge

D

We need to find a quick solution,

G

Bring about a revolution,

A

D

The ballot box don't offer what we need.

D

The only way to put things right,

G

Is take a stand and join the fight,

A

D

There's not a Single Doubt we can succeed.

Chorus

D

Let's stand together, show them how,

G

The time to make a change is now,

A

D

They need us so much more than we need them.

Verse 2

D
Far more folks are walking up,
G
It's looking like the game is up,
A **D**
The chickens will be coming home to roost.
D
Irresponsibility,
G
Is all we ever seem to see,
A **D**
They're trashing all to give the rich a boost.

Bridge

D
Workers need to get together,
G
If we don't we won't know whether,
A **D**
We can make it through another year.
D
The loony right we'll see defeated,
G
Government must be unseated,
A **D**
The profit leeches made to run in fear.

Chorus

D
Let's stand together, show them how,
G
The time to make a change is now,
A **D**
They need us so much more than we need them.

Verse 3

D
Let us make our country fair,
G
Build a world that we can share,
A **D**
Where everybody gets a decent slice.
D
With railways and energy,
G
Owned by and ran for you and me,
A **D**
The super rich alone would pay the price.

Bridge

D

People need to earn a decent,

G

Wage to overcome the recent,

A

D

Level of inflation going on.

D

The country needs to go on strike,

G

Rishi Sunak, on your bike,

A

D

And take the bloody lot of them along!

Chorus

D

Let's stand together, show them how,

G

The time to make a change is now,

A

D

They need us so much more than we need them.

Coda

D

They've brought our country to its knees,

G

Haven't listened to our pleas,

A

D

And so we rise, the guilty to condemn.
