Verse 1

Am

I'm not the most together person,

FM7

Lost part of my brain

C

Put my G String On The Wrong Way round,

E7

My Guitar is such a pain

Am

Im not a complete idiot

FM7

Parts of me are missing

C

But I seem to be malfunctioning

E7

And this is not a blessing

Am

Given up my addictions

FM7

Drink and drugs and smoke

C

But I've had to hold on to just one

E7

Can't let go of the coke

Am

"Drink caffeine free" people say to me

FM7

But what would be the point

C

It's the only little high I get

E7

As I've given up smoking joints

Chorus

G

Em C

The fog keeps rolling in

C

D

Can't remember anything

G Em

But I just bear it and grin

C

D

Pretend to understand what you're saying

Verse 2

Am

Put my top on back to front

FM7

And then inside out

C

My leggings on the wrong way round

Em7

Am I Singled out?

Am

I'm so absent minded

FM7

I have to be reminded

C

Of the day, the month the year

E7

My memoriy's such a blur

Am / Dm / Bb / E

I think I've got dementia

FM7

I saw it on TV

C

Look out for these three signs they said

E7

Oh no, that sounds like me

Am

My doctor she just laughed and said

Dm

"Oh dear it's jsut your age"

Bb

You're going through that time of life

E

Where you have turned the page

Chorus

G **Em** **C**
The fog keeps rolling in
C **D**
Can't remember anything
G **Em**
But I just bear it and grin
C **D**
Pretend to understand what you're saying
G **Em**
Don't know who I am anymore
C **D**
My brain has rolled out the door
G **Em**
I very nearly found myself
C **D**
But I was slipping from the shelf

G Am D/Gbm Am Bbm D

Bridge

G
I'm off to get a better brain

It's all out of charge
A **D**
If only I could do that then
D
Things wouldn't be so hard
G
I could leave it charging
A
Overnight beside my bed
G
And put it back in the morning
Am
'n' have a super charged up head

coda

G **Em** **C**
The fog keeps rolling in
C **D**
Can't remember anything
G **Em**
But I just bear it and grin
C **D**
Pretend to understand what you're saying

What are you saying?
